

Draft Minutes – Angle Community Council Meeting, Wednesday 6th July 2022
Angle Village Hall

Present: Cllrs Williams (chair), Watkins, Ward, Howells and County Councillor Alderman

Apologies:

Declarations of interest: none declared

Part 1

On Behalf of ACC, Cllr Williams began the meeting by extending condolences to the family of Zac Thompson who died in a tragic accident at West Angle Beach last week. Chair Cllr Williams advised that it was likely that there would be a need to discuss some issues relating to this and that some agenda items may need to be deferred. – [Supported by all present](#)

Cllr Ward informed all present that the emergency services responded extremely quickly, but that access to “Big Dock” was inaccessible to vehicles due to placing of Bollards and hard for pedestrian access due to overgrown pathways. The issue of accessible and in good repair buoyancy aids raised questions about responsibility of maintenance, repair and replacement. Mobile reception is reported to be patchy and provider dependent, raising the issue of a request to reinstate an emergency phone at the beach. [Action: Cllr Ward will liaise with Darren Thomas of PCC regarding buoyancy aids, Cllr Williams will follow up on last year’s request to investigate PCC claim that we were informed of BT’s consultation to remove the beach sited phone, and also to look into reinstating one. County Cllr Alderman will look also investigate ACC request for an investigation.](#)
