Councilor Jonathan Williams welcomed Mrs. Julie Davies Head Penryhn School

Mrs Davies advised that the school advertised all their activities via school notice boards and social media Twitter ect. That they were now open until 6pm for after school activities and now had a book swap library for both children and adults that was accessible until 6pm. She would welcome any volunteers to do activities with the children such as cooking, sewing, knitting etc. the children attended St. David's twice a week and also attended The Remembrance Service at Freshwater West. She also advised that the school bus was available to hire providing the correct driver's license was held. Due to the later opening hours she was concerned at the traffic speed and sought the Councils help in this regard. It was agreed to write to GoSafe for a speed monitoring van to be in place 5.30 – 6.30pm and to further advise Valero and Power Station to alert their employees. Clerk will advise Stephen Thornton, Janet Baldry and Darren Thomas.
