Auditor General for Wales' Audit Certificate and report

I report in respect of my audit of the accounts under section 13 of the Act, whether any matters that come to my attention give cause for concern that relevant legislation and regulatory requirements have not been met. My audit has been conducted in accordance with guidance issued by the Auditor General for Wales.

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2022 of:

Boncath Community Council

Auditor General's report

Audit opinion – Unqualified

Except for the matters reported below in my Basis for Qualification* On the basis of my review, in my opinion no matters have come to my attention giving cause for concern that in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislation and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Other matters arising and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the body.

Fixed assets

The Accounting Statement reports that the Council did not own any fixed and long- term assets. Information provided for audit identified that the Council owns assets valued at £11,410.

For future years, we recommend that the Council reports on its annual accounting statement, the value of assets recorded in its asset register.

Accounting discrepancies

Our audit testing identified number of discrepancies within the accounts. Whilst not material to my opinion, the Council should address these to prevent recurrence in 2022-23.

- The cashbook records total payments as £1,754 whilst the Accounting Statement reports £1,761.
- The opening balances are incorrectly stated due to an error in the procedure for writing back an unpaid cheque for £25.
- Staff costs erroneously records payroll agency fees of £101 as a staff cost rather than an 'other payment'.

We recommend that the Council ensures the consistency and accuracy of the accounting statement before approving the 2022-23 annual return.

There are no further matters or recommendations that I wish to draw to the Council's attention.
