Present: **B. Gillinder – Chairman**
 R. Moffat
 H. Thornton
 M Jones
 I Banks
 S V Davies

A. Bateman-Clerk to the Council

Also present was a member of the public, S Dewick-Berry, who has shown an interest in becoming a community councillor

Apologies: **J Morgans, Cllr Yelland**

Prior to commencement of usual council business, a new Community Council had to be formed. Last year saw several Community Councillors leave or retire. 2022 was a new Council and 5 of our councillors returned with 2 wishing to be co-opted onto the Council, resulting in 7 Community Councillors.

A notice will go out to the Community inviting interested parties to sit on the council.

Members proposed, seconded and voted for Chairperson and Vice Chairperson.

Chairperson – Brian Gillinder, Proposed by H Thornton, Seconded by M Jones.

Vice Chairperson – Mary Jones, Proposed by H Thornton, Seconded by B Gillinder.

The Chair proposed that following the difficulties encountered by low numbers previously, we lower the quorum to 3-Brian, referred to the regulations (1972) and the minimum by law is three. The decision was seconded by H Thornton and everyone in attendance voted unanimously.

12.22 MINUTES OF COUNCIL MEETING held Monday 9th May 2022

It was proposed by H Thornton and seconded by M Jones that the minutes be approved.

Matters arising-The community 'Happy to chat' bench has arrived. The agreed site within the village was adjacent to the memorial so will have to instruct someone with a highways licence to fix in place. Currently there are some works going on in the area so it was agreed to wait until these works are completed and then get it sited.

13.22 SPEED AWARENESS

Nothing further to report at this time.

There are 2 websites; gosafe.org/community-speed-watch/dyfed-powys
www.communityspeedwatch.org which would provide helpful information to anyone looking to volunteer or provide general information about the campaign.

Minutes of Rudbaxton Community Council

Monday 13th June, Community Hall, Crundale, 7.00p.m.

14.22 TREES

A Quote had been received from Roscoe, for the necessary works to the damaged/diseased trees, for £3,480.00.

It was agreed to go ahead and instruct Roscoe to complete the works, as this has now become a legal requirement, as instructed by the County Council.

The Community Association have agreed to contribute.

15.22 BUS SHELTERS

The disrepair and general maintenance of the 2 Bus shelters within the village has been discussed several times over the last few months. Quotes had been obtained and due to a number of reasons, the work has yet to be completed.

The Community Council have decided to get these looked at for disrepair and painting, get a revised quote and complete the necessary work.

On a slightly different note, it is sad to be informed that the bus service through the village has been reduced significantly, other possibilities are the flecsi bus. The clerk will look into whether the service can be provided in the village.
