

HERBRANDSTON COMMUNITY COUNCIL

Meeting Tuesday 18th July 2023@ 7pm in Village Hall

Draft Minutes

Present ; Cllrs M.Galdo, N.Coles, T.Roberts, R.Owens.

Clark : D.Davies

Apologies : Cllrs A.Forrest, D.Philpin

Public : R & C Varns, J.Houdey, L.Ragg-Walker, D.Hooker, L.Eden.

Declaration of Interest. None declared.

Questions from the public. D.Hooker asked if a sign for the Community Hub could be placed by sign for Little Castle Grove as cars were driving into St Margarets way and finding difficulty in turning round. Give Way white lines on road at this junction are very faint and need to be repainted. Has the Community Council yet formed a play park committee as she is interested in helping. Behind the flats in Triplestone weeds have become so overgrown that residents are not able to open back gates, it looks very untidy.

C.Varns was concerned that the minutes from last meeting indicated that the Community Council had not raised any objections to the plans for the new school. Clerk read this paragraph as printed in the draft minutes out to the public. It stated that the council would be considering all of the concerns raised by the public during their debate. However Cllr R.Owens had explained to the public that if they had specific concerns they should raise themselves.

Actions to take ; Clerk to contact Pembrokeshire County Council once again to raise the concern on the faint white lines at St Margarets Way junction.

Clerk to ask Pembrokeshire County Council to place a sign for the Community Hub at same junction,

Clerk to compose a flyer to be delivered to every house in village inviting interested residents to discuss with Community Council forming a Play Park Committee.

Clerk to contact ATAB to ask if they can clear the area behind the flats in Triplestone.

Clerk to take forms to Price & Kelway solicitors for the village Green ownership.

Clerk to stay in contact with Pembrokeshire County Council about the Passing Bay project.

Clerk to send a letter to resident at the Hook Line & Sinker requesting the removal of the large sign outside her property.

Cllrs to consider options to protect the fixed asset of Sandy Haven Beach car park.

Clerk to once again attempt contact with Pembrokeshire County Council about Broad Band.

Next Meeting proposed for 12th September 2023.
