**4. Matters Arising:**

**a) Fortunes Frolic:** An email response had been received from Cllr Lewis to inform us that the recent works had been 100% grant funded and future maintenance will be covered by Pembrokeshire County Council. To date there does not appear to be anyone maintaining it as the grass is growing up over the pathway and by the sign. The new path is not suitable for disabled people as the tarmac path has too much resistance on it and was not what was anticipated. CC to request a meeting to discuss this further with Cllr Lewis and also to discuss the issues around the safety of the gate and sheep escaping on to the frolic.

Action- Request meeting with Cllr Rob Lewis to discuss issues at the frolic.

b) Daffodils on the Green – Mrs Green's husband is kindly going to dispose of the daffodil pots on the green and it was only mentioned that they had again flowered recently and had looked very nice.

c) Letter to Ambulance Service – at previous meeting Cllr Percy requested a letter be written to Ambulance service but has yet to clarify with clerk what content the letter should take.

Action – Clerk and Mr Percy to prepare letter.

**5. Planning Applications:**

**Np/15/0107/FUL ERECTION OF DOUBLE GARAGE AT PICTON HOME FARM, THE RHOS, HAVERFORDWEST.**

The plans were viewed by those present at the meeting but more information was requested mainly was it going to be used as a garage and will there be other properties wanting garages. The Councillors

would also like to know who is developing the land and would like to organise a site visit. Clerk to email PCNPA to request site visit and further clarification. (No response received further email sent)
