1213 Other items

D Smith agreed to take on the role of Vice Chair for 2016/17.

Clerk to send an email to Gavin Pritchard, PCC formally requesting there be double yellow lines at Nolton Haven. There was a close call with a child again this weekend. Copy Jamie Adams in on email.

Mobile trading van at Newgale layby north – councillors very unhappy she is there without consent. It is unfair to the rate paying businesses in the area, there are road safety issues and it is visually unacceptable. Clerk to let Marc Owen know.

1214 PCC report

Cllr J Adams reported that he had requested a speed survey in the village.

The reorganisation of Haverfordwest secondary school education had hit a brick wall as the proposed scheme had not found favour with the council. We will most likely lose the 21st century funding now.

1215 Items for the next Agenda

None.

PCSO Jude Parr attended the meeting to explain how we could set up a community speed watch. It is a nationwide incentive which has now been adopted by Dyfed Powys Police. It is volunteer led. They would need ideally 6-10 volunteers on a rotating basis, with 3 needed at any one time – one to use the speed gun, one to take the registration number and one to record the information. It is about having a presence (high vis jackets) not enforcement. All the data will go back to DPP and anyone speeding will receive a letter. On their 1st and 2nd times they will receive a letter, on the 3rd time traffic police will go round and they may receive a Section 59 notice. All this will be recorded and

so if they have any other incidents with the police it will show upon the system. It could lead to them having their licence revoked or the car impounded. If the particular road is found to be an ongoing problem hopefully road safety will take further action and put a speed camera van there.

PCSO Parr will do some posters to put up around the village, it will be in the Round Up newsletter, in the Western Telegraph and also promoted at the village fete on 23rd July.

Meeting Closed at 8.15pm.

Signed

Chairman
