Clerk's report on matters arising from last meeting

Potholes were now filled and a road sweeper has been requested from Environmental Services.

From Cllr T Richards:

Church – he raised this at the governors' meeting in the school. One small problem from Ben Blake is that there is a sign saying “please don't park here in school hours”. This is an old sign from when the previous school was there. The governors had no problem in this sign being removed nor did any of the councillors and all were happy with the decision for this sign to be removed.

Footpath signs – they are not all being changed at the same time but on a rolling programme as and when needed.

Bus shelter cleaning – Letterston bus shelter was power washed in January 2017 on the same day as Wolfscastle.

Armistice Day – not yet raised.

Brynewalon planning – not yet sorted. T Richards to enquire.
