

PLANNING/CYNLLUNIAU continuad

NP/17/0423/FUL Bwlchmely, Felindre Farchog. There were no objections to the proposed demolition of the existing conservatory plus a new kitchen and ensuite bedroom.

NP/17/0444/FUL Blaenygwynt, Moylegrove. There were no objections to the proposed new first floor gable, rear lean-to side porch etc.

CORRESPONDENCE/CYFATEBIAD

N. Pembrokeshire Transport Forum News Briefing for July contained information about the Free Weekend Bus Travel Across Wales, and County Cllr. Mike James drew attention to the new ferry times.

The publication from the Hywel Dda University Health Board on the subject of Mental Health Services will be studied by the Chairman - Cllr. Gaynor Hazelden.

County Cllr. Mike James will suggest to Pembrokeshire County Council that Moylegrove Village Hall (the old school) would be a suitable venue for Code of Conduct training for Councillors.

NEVERN CASTLE

Cllr. Ron Rees reported on the recent Open Evening with Dr. Chris Caple. Two new local (Moylegrove) residents have volunteered to become Members of the Castle Committee - Mr. Rob Anthony and Mr. Alan Wills.

Mr. Bennett is to be reminded again that the "Throne" is in urgent need of refurnishment! The deterioration is now serious!

The cabinet for replica Castle dig "finds" + information etc. in the Nevern Hall is presently fairly bare, and needs to be replenished.

Two estimates had been received for the clearance of trees overhanging the highway, and it was agreed to accept Mr. Mark Toft's quotation for £492. including £82. VAT. The Clerk will also acknowledge the estimate from Derwen Tree Care.

A.O.B.

Cllr. Peter Marks proposed and all agreed that a letter should be sent to our local Assembly Member reminding him that we have heard nothing further on the subject of our very long standing request for flashing signs to remind motorists to drive carefully through Felindre Farchog at no more than 40mph.
