1. MINUTES OF THE LAST MEETING.

The minutes of the meeting held on Thursday 17th May 2012 were passed as a true record.
Proposed by Cllr Batey and seconded by Cllr Davey.

2. CHAIRMANS REPORT.

The Chairman reported that the year had got off to a controversial start with complaints being made against the Chairman, Vice Chairman and the Council itself for maladministration. However the Ombudsman had found no evidence to support these accusations

The council had continued to support the village by contributing towards village activities e.g. the carnival, hall heating, maintenance of the burial ground, the fireworks night which had once again been well supported, and the christmas tree. The Chairman said that he hoped the council would be able to continue to support these events for years to come.

There was a downside in that the Sir Benfro site was an eyesore, despite the developer's promises. National Park have no power to enforce any action.

On the positive side the multi user path have been completed and was having a lot of use.

The Chairman finished by thanking the councillors for their support and looked forward to another successful year.

Cllr Reynolds thanked the Chairman for all his hard work, most of which was unseen.

3. CLERKS REPORT.

The Clerk presented the annual financial report for the year ended 31/03/2013.

There were no questions.

It was proposed by Cllr Davey and seconded by Cllr Philpin that the report be accepted and sent to the Internal Auditor.
