

CYNGOR CYMUNED  
TIERS CROSS  
COMMUNITY COUNCIL

MINUTES OF THE MEETING HELD ON THURSDAY 8<sup>th</sup> MARCH 2018

Present. Councillor's c. George, M. Rawlinson, B. Bullimore, P. Newman, A. Thorne.  
County Councillor K. Rowlands, C. Griffith, Clerk.

Members of the public. Four members of the public were present, including the tenant of the vehicle repair garage..

27. APOLOGIES. Cllr. E. Jones.

28. DECLARATIONS OF INTERESTS.

Cllr George completed a declaration on interests form as an employee of Pembrokeshire County Council.

29. QUESTIONS FROM THE PUBLIC.

Cllr George invited the members of the public present to address the meeting.

1. Vehicle parking. There were complaints from residents regarding vehicles parked in the vicinity of the garage workshop which was making it difficult for residents to park near their homes.

Vehicles and old parts had been piled on top of each other and were a potential hazard.

An electricity cable had been run across the road from the garage to a vehicle, which was dangerous.

The garage tenant said he was aware of the problems, and that he tried to avoid parking vehicles in the vicinity of residents homes, but that some of his customers did without him being aware. He would tidy up the piled up vehicles and parts and would exercise caution if he had to use an electric cable on the road.

Cllr George suggested to the tenant that he might approach the Chapel, to see if they would let him use the Chapel car park for a fee.

It was asked if it was possible to enforce “ residents parking” outside Redberth Villas.

Cllr George and Cllr Rowlands would inquire who owned the land and if it was possible.

It was said that quarry lorries travelling through the village did not always conform to the speed limit. The lorries were also generating a lot of dust as the quarry did not have a wheel wash, causing vehicles and clothes lines to covered in dust on a daily basis. It was requested that rumble strips be placed on the roadway. Cllr George said that she would approach PCC regarding a traffic survey and Cllr Rowlands said he would speak to the quarry owners regarding speed and dust. He also said that several different types of traffic calming measures had been used in the village in the past, but they had all been removed following complaints from residents.

Cllr Rowlands said he would arrange a site visit with interested parties to discuss the various problems raised this evening.

It was said that the village was one of the few in the area who did not provide a Christmas Tree. Cllr George said the council would look into the matter.
