

**Minutes of site meeting of Templeton Community Council Monday 26th August 2019
Held at Templeton Hall.**

Present: Cllrs Peter Morgan, Liz Burns, Barbara Priest, Mark Simpkins, Jason Jennings, Kathrin Williams

Apologies: Cllr Elwyn Morse.

Liz Burns declared an interest and did not take part in the meeting.

The meeting stemmed from a request for clarification by the contractor on what render and colour was required for the Hall.

A discussion took place with regards to comments received regarding the rendering placed on the front and northern elevations of the hall extension.

Cllr Morgan explained that during the cost cutting exercise, the stone facing item in the bill of quantities was replaced with a 'Pembrokeshire render'. As the majority of Cllrs had now stated that they did not want this render, Cllr Morgan stated that we would need to look at reimbursing the Contractor for the additional works.

Following a discussion, the Cllrs present decided that the existing rendering should remain.
