## **PUBLIC BUS SERVICE CHANGES IN PEMBROKESHIRE**

Due to the current situation there are a number of changes required to public bus services in Pembrokeshire.

The County Council's Cabinet Member for Infrastructure, Licensing and Major Events, Councillor Phil Baker, said: "Changes are required in order to respond to the Coronavirus situation, and to continue to maintain services to key locations such as hospitals, GP surgeries, pharmacies and certain food stores.

"The timetable information on the Council's website will be kept up-to-date but unfortunately it is not possible to update the information displayed at all bus stops.

"These arrangements may be subject to further change at short notice, and I would ask that anyone wanting to use public transport services to please visit our website or ring 01437 764551 for the latest up to date information."

The one-day-a-week timetable for Coastal Buses (387/8, 400, 404 and 405) will remain until further notice.

Both Community Transport and the Bus Buddies service are suspended until further notice

A full list of all public bus services in Pembrokeshire and the current service provision is listed below. A number of services will be operated on a dial-a-ride basis.
