

# ST MARY OUT LIBERTY COMMUNITY COUNCIL

Due to the current Covid 19 Pandemic and following guidelines as set out by the UK Government, St Mary Out Liberty Community Council will not be holding their May 2020 Annual meeting as scheduled.

When additional guidelines have been received from the UK Government regarding social distancing, essential travel and further guidelines as to who should be leaving home the Council will reconsider the holding of meetings (either remotely or face to face).

Once meetings are due to reconvene, dates and Agenda will be posted on the Community Council website.
