## **8. County Councillors Report:**

- Old Stile at High Street Whitland was reported as had collapsed and is being looked at.
- Lampeter and Ludchurch Halls should receive their £10,000 Welsh Government grants this week.
- Lots of wild camping has been happening around the county, especially near the coast over the first weekend following Covid 19 lockdown restrictions on travel being lifted.
- Lockdown brought its problems and opening up has also brought more problems. PCC staff have been redeployed e.g. some library staff working in other jobs, such as the bins and are now helping to guide tourists to try and keep everyone safe and socially distanced.
- Leisure Centres opening up soon need to check their ventilation systems for legionnaire's disease after standing idle for several months.
- The R value in Pembrokeshire remains at 0.7 with currently only 1 case of Corona Virus in hospital.
- Hospitals are starting to carry out normal procedures.
- Second peak of Corona Virus anticipated around October/November.

## **9. A.O.B.**

- A request had been received from the Princess Gate Community Group for Lampeter Velfrey CC to take future responsibility for several small trees that they propose to plant on the grass verges. Following a discussion, it was agreed that this would not be possible as the Community Council does not have sufficient insurance to cover this. The clerk was asked to draft a response to the group saying that whilst they support the enhancement of the village, they cannot take on the responsibility.
- Road is sinking north of New House Farm where the pipeline crossed, Cllr David Simpson agreed to look into it.

**10.** Date of the next meeting – 8<sup>th</sup> September 2020 and will likely be held at Tavernpsite.

The meeting closed at 8.30pm
