2. Agenda Items

1. Action points from last meeting -Cleared, with further updates below.
2. West Angle Bay car park–

3. Playground Renovation- A park meeting was convened on 21st September to discuss recent communications from PCC and solicitors. This will be progressed. Planning permission will not be required following communication with PCNPA, however any transfer of land that is not used for the purpose of a play park may be subject to change of use planning requirement. ACC would like to acknowledge the fundraising event by West Angle caravan owners, which raised a staggering £1100.00. **Action: Acknowledgement letter to be sent.**
4. Communication survey. – Acknowledgement of the poor response, and that some suggestions made would have financial +/- additional time commitments. As the notice board is one of the main sources of information need for bigger font size on minutes etc. ACC agreed that a bigger lockable notice board would be helpful. How to engage with the younger residents was discussed. The key group was felt to be the 11-18, but identifying how to achieve this will require more consideration. **ACTION: Cllr Williams to explore costs for new notice boards and agree suitable site with PCC. Cllr Watkins will see how Penrhyn school include the children in school issues.**

7. Meetings attended by Cllrs and Forthcoming meetings

1. On line meeting re clerk qualifications - 9th September. Cllr Williams reported this was an informative meeting. WG are not mandating that clerks should have qualifications. Clerks present offered good advice re value of background work prior to submitting for CiLAC qualification. Many felt it gave them confidence and a little more autonomy to help direct Community councillors. Many felt that Community Councillors have very little idea of the work load of the clerk and did not feel valued. Also, informative information of the headings used in Minutes and agendas was discussed, as the Audit office will not want to see AOB or matters arising used. These terms imply that Councillors may not have had time to consider the issues and make objective decisions without prior warning. Likewise, the public will not be aware of issues of relevance if not adequately notified through the Agenda.
2. Feedback from VH Meeting 5th October - Cllr Williams informed ACC that she had raised the issue of WiFi (see point 2.6 above). AGM will be in January 2022. Information circulated re Silhouette Tommy figures; these were considered to be a Village project.
Action: Info to be circulated to Village groups
