- A response from PCC was circulated in connection with cars parking on the pavement. After discussion it was decided to write to PCC and request that they install bollards to deter people from parking on the pavement.
- Cllr J Vince had spoken to Chris Taylor from PCNP and the Clerk to arrange a meeting and book the hall for a date that is suitable for all parties.
- The Chair had spoken with the representative from the Church and it was agreed to arrange a meeting between all interested parties soon. Cllr J Purser to take the lead and follow up enquiries and Cllr T Hodgson to help with the enquiries.
- Cllr R Tallis had circulated an update on the defibrillators. A suitable site in Hodgston as the bus shelter was not in the best of condition. Discussion took place on the defibrillators in the community and their condition and when equipment would need changing and where new equipment would be sourced from.

Councillors were disappointed at this response as some of the matters raised had been ongoing since last summer. Cllr Hodgson was meeting with the new Chief Exec the following morning and would bring these matters to his attention.
