

JEFFREYSTON COMMUNITY COUNCIL

As a small community council with a very modest precept, members are looking into the possibility of grant funding to replace the old, worn climbing frame in the play area, replace the tiled surface area and install a boundary fence.

Do you use the play area in Jeffreyeston and think this a good idea?

We need feedback from parents, guardians, grandparents, uncles, aunts - anyone who supports the proposal. so that we can make an application.

Please let us know your thoughts on the matter by e-mail to the clerk at jeffreystoncc@gmail.com or telephone 01646 650266 if you wish to discuss anything further.

Made with PosterMyWall.com

You can also complete the consultation on the Jeffreyeston Community Council Facebook Page.
