

# Jeffreyston Community Council

Jeffreyston Community Council is pleased to announce that the application to the Community Lottery Fund has been approved.

The proposal is to remove and replace the tiled surface area, remove the outdated multi play unit and replace with new, and re-instate a metal boundary fence around the surface area. We will also be installing a dog waste bag dispenser and a nature interpretation board. A total amount of £42,500 has been secured. Yes, £42,500!

Thank you to all those who were involved in the consultation and supported the application, and I hope we can rely on your continued support moving forward.

So, the journey begins, the council will meet again on the 7th of November when the offer will be discussed. There is a huge amount of work to do over the next twelve months and I would like to take this opportunity to remind everyone that at the minute we have 3 vacancies and need a full complement of 6 members in order to function efficiently and effectively.

But for now, let's celebrate this amazing achievement and sincere thanks to you all.

Diolch o galon i chi gyd.
