

FCC Training Plan October 2022 to March 2023

Notes

1. FCC has no budget line for training in 2022/23.
2. A note has been added to the 2023/24 document to address the budget.
3. A training needs assessment has not been carried out. This process should start after the November FCC meeting to develop the full 2023/24 plan according to the guidelines.
4. Bursaries of 50% per course to a maximum of £100 per year available of OVW courses subject to availability.
5. The training plan includes items concerning the Freystrop Village Hall Charity of which FCC is a Trustee. It follows therefore that it should be recognised that an FCC Councillor may also be a Named Trustee of the Charity. The requirements and responsibilities of a Named Trustee go much deeper than being a Council Trustee. Councillors or Members of the public who become Named Trustees would also be required to follow the enhanced training.
6. Published guidance suggests training plans are reviewed following elections but the suggested approval document states annually. An annual review to add/remove items according to the plans/Councillor needs for the coming year, reviews of completed training and budget is suggested.
7. The training plan was worked on prior to guidelines being published. More courses will have to become mandatory to fulfil competency requirements in the future.
