## **7 Any other business**

7.1 M Raymond (through a message to the Clerk) thanked everyone for a great fireworks display. D Williams reported that the fireworks were a great success. There were a few traffic issues but they were sorted out, the police were there. If they were to hold it again they would do the parking better. He thanked all the marshalls/community councillors who turned up to help. Clerk to send a letter of thanks to SL Bell and Yet-Y-Gors Fishery thanking them for their help. He would be looking at getting £1k in the kitty for next year.

7.2 D Haden proposed getting Christmas lights for the tree in Trecwn. A £30 budget was proposed by D Haden, seconded by A Anderson.

7.3 The residents of Panteg have sent letters of support for a defibrillator. Questions were raised about location, funding, maintenance, would it need mains, who would be the guardian for it, who would pay for the cabinet. Clerk to send a letter to the residents and ask these questions. There are other villages in the community council who have been requesting one for a while so would be ahead on the list. Clerk to look at savealife.cymru for a grant.

7.4 Green Energy Hub – the open meeting held last month was discussed. Clerk to write to GEH with residents' concerns (location of plant, noise, why so close to houses/spacing) and invite them to the next meeting. Proposed D Williams, seconded A Phelps.
