59.21 MINUTES OF COUNCIL MEETING held Monday 13th December 2021

It was proposed by R Moffat and seconded by A Lowe that the minutes be approved.

60.21 COMMUNITY COUNCILLORE UPDATE

Cllr Yelland reported to us the following;

- An update on new road layout has been requested. As soon as there is some significant progression, Cllr Yelland will be inviting the engineer up once again, to go through the progress.
- The creamery is an ongoing matter that Cllr Yelland is involved in.
- A resident who lives at Dingle close has requested for the Council to maintain and mow the small piece of grass at the entrance to Dingle close.
- Cllr Yelland still hasn't had a reply from PCSO D Owen. Due to the severe lack of response to both Cllr Yelland and the Community Council, a further email will now go to the PCSO, with copies being sent to the superior officer.
- Boundary changes: Part of the ongoing changes to local council means that Cllr Yellands area will expand in the near future to cover the parish of Spittal. Cllr Yelland had received enquiries as to whether the 2 Community Councils will merge also. To date, Cllr Yelland has not received any information to suggest that the 2 Councils will merge and form 1 Community council. The Boundary changes will only effect County Councillors currently.
- It has been reported to Cllr Yelland tonight, that a sign in Dingle land requires replacing due to damage in the recent storms and that the bollard in the centre of the road needs attention.

61.21 SPEED AWARENESS

There are 2 websites; gosafe.org/community-speed-watch/dyfed-powys
www.communityspeedwatch.org which would provide helpful information to anyone looking to volunteer or provide general information about the campaign.

Nothing further to report, however, an email has been sent to PCC enquiring as the maintenance or fixing of the current speed signs. Whether or not there is a service plan and whether the sign can be fixed.

64.21 RUDBAXTON COMMUNITY ASSOCIATION.

The Community Association are looking into having CCTV fitted as they are continuing to have problems with dog fouling and anti social behaviour in the grounds.

65.21 ANY OTHER BUSINESS

Following on from the immediate tree surgery that was required following the storm damage, the additional work that was quoted for was brought up for discussion. After a very brief discussion it was decided to add this as an agenda item next month as it requires some proper discussion and a decision going forward needs to be made.

Dog fouling-this is a continuing issue within both the village and within the grounds of the hall, despite there being plenty of signs, clearly stating dogs are not allowed in the grounds.

There is an ongoing campaign and funding for posters which is going to be followed up by our Caru Cymru representative.

The meeting closed at 8.45 pm

The next meeting will be on Tuesday 15th February 2022 - 7:00pm

Signed.....
