11.22 AOB

Cleaning of the village benches-just a general tidy up and maintenance of the benches are required as some of them are starting to look particularly tired. MJ has volunteered to look into it. This brought about a general discussion of a village handyman or volunteers within the village willing to do odd jobs within their village.

Also spoke about a village flyer, reaching out to the residents as not all are on social media. All in attendance agreed, the community council as a whole, need to be more visible to the parish. To be discussed at next months meeting.

Litter pick-these continue to be successful, with volunteers having an area to clear, keeping the village clean and tidy.

The Community Council received a letter from Mr R Moffat, applying to be co-opted onto the council.

The meeting closed at 21:10pm

The next meeting will be on Monday 9th May 2022 following the AGM which will start 7pm
