41.22 **MINUTES OF COUNCIL MEETING held Monday 10th October 2022**

It was proposed by R Moffat and seconded by J Morgans that the minutes be approved.

Matters arising – .

*Congratulations were given to Rob and Huw on completion of the upgrade of car park

*Thanks was given to Mary for her work involved in getting the community bench sorted. It looks great in its new position. A photo was taken and shared amongst the community.

*Remembrance service went well. A request has been made for a dedication plaque to be placed alongside the existing one, to remember several French airmen whose aircraft crashed close to Crundale.

*Notice boards-having looked more closely at the notice boards, the one on the end of fairbush close definitely needs replacing or updating. The one on cardigan road doesn't need replacing, but does need attention due to the door being too heavy to be single person operative. It was suggested that either we get gas struts fitted, the doors are replaced or even turned so it opens the opposite way.

*Clerk Vacancy-the advert has been circulated via social media and also circulated amongst the existing Community Clerks within the county. PCC have also agreed to share it on their vacancies.

*The Council would like to give thanks to Chris Henton for giving up his spare time to assist with the placing and fixing of the new Community benches.

42.22 **SPEED AWARENESS**

There are 2 websites; gosafe.org/community-speed-watch/dyfed-powys
www.communityspeedwatch.org which would provide helpful information to anyone looking to volunteer or provide general information about the campaign.

43.22 **BUS SHELTERS**

The council have received 3 quotes for work required on the bus shelters. The 3 quotes are slightly different as 1 refers to painting only, whereas 2 are for remedial work and painting. We need to clarify whether 1 of the quotes refers to both bus shelters.

The quotes are from; D Moffat for the sum of £2,350.00

G Sommerville for the sum of £975 for painting only

T Nixon for the sum of £1060 (need to clarify whether this is for both bus shelters.

MJ has almost completed an application for a grant towards the works on the bus shelters.
