51.22 CLERK POSITION

The Clerk has previously mentioned that due to increase in her personal work load, a replacement needs to be found. Whilst she was waiting for a replacement, at the time was happy to cover. However, the time has come for Andrea to completely step away from the role. The Community Council will continue to advertise for a replacement, but in the meantime, the Chairman and Vice Chairman will cover the role in the short term.

The role has been circulated amongst all existing Clerks in Pembrokeshire as well as being listed on the Pembrokeshire County Council list of existing vacancies.

The Council had received 1 application for the role, but following lengthy discussion, the council decided at this time, that she was not currently successful.
