QUESTIONS FROM THE PUBLIC

Bolton Hill

Following contact from a member of the public regarding the road(s) condition (excessive spillage of stone dust) near the main and rear entrance of Bolton Hill Quarry, the Clerk contacted Bolton Hill with the points raised. Bolton Hill Quarry responded addressing the concerns, explaining the new measures in place. The Councillors were satisfied with the measures in place and with the involvement of PCC. The Clerk to forward the response to the member of the public.

Memorial Garden bench

The member of the public explained that the first bench from the Memorial Garden is being restored and will hopefully be returned in due time.

ADOPT MINUTES OF THE PREVIOUS MEETING ON 5TH JANUARY 2023

The minutes were accepted as a true record of the meeting from 5th January 2023. Proposed by Cllr Rees and seconded by Cllr Cleaver. Cllr Procter to sign the document in person at the next meeting.

MATTERS ARISING

None.

AGENDA

Eco Park update

The Clerk is awaiting confirmation of the route HGVs and ejector lorries from Rudbuxton landfill will take to the Eco Park, due to the height restriction on the railway bridge at Merlin's Bridge. No confirmation as of yet.

Traffic calming measures update; DreenHill and Thornton

The Clerk confirmed that a location Westbound has been agreed and that the manufacturer has been contacted for a quote. Quote approved by all Cllrs. PCC to order and install the signs.

Cllr Procter explained that securing a meeting with PCC to agree a location Eastbound was challenging. Cllr Newman has spoken to several landowners/users in the area and all would welcome methods of reducing the speed and can't see how the location next to the bridal way would impair vision. The Clerk to contact PCC with local residents and bridle path users' views to see if an agreement can be reached.

No update on the work in Thornton. The Clerk to continue to contact PCC for an update. The last update was received in November.
