1. Matters Arising

1.1. Asset transfer – Clerk reported that she was still waiting to hear from PCC with regarding to our request for the land to be maintained before taking ownership.

2. Agenda Items

2.1 Letter from Panteg resident re defibrillator – the defibrillator at The Gate was part funded, Trecwn and other places also need one (larger community) and also requested one first, the new YFC hall need one as well. Clerk to respond by letter to resident. A Anderson to look into training for CPR. There were apparently a lot of defibrillators around the county that didn't work now and that CPR would be a better skill to learn.

2.2 Independent Remuneration Panel for Wales 2023/24 – it was now mandatory for councillors to receive £156 payment for working from home, unless they specified in writing that they did not wish to receive it. All in favour of Clerk writing a letter stating this and for all councillors to sign next month.

3. Planning applications

3.1 Base station installation upgrade at Glasfryn Farm – no objections, all in favour.

3.2 22/1005/PA – There was concern by residents and councillors of the waste being dumped on a field by PCC (and other) lorries which was forming an access, but which was not in the planning permission. It was reported that the applicants had consulted with neighbours but this was not the case. Access is still an issue, with the same concerns as the last planning permission (12/09/2022). It was proposed to object to the planning application on the access issues, proposed D Williams, seconded M Scrimshaw, all in favour of objecting.

6 PCC report

Cllr Harries reported that council tax would rise by 7.5%. It nearly got through at 5.5%. The Independent Group now has another two members so will be challenging other parties, the Conservatives seem to be supporting the Independent Group.

The Super Hospital consultation has now opened.

No news on the WRC, currently staying the same booking system.

The speed limit in Scleddau was discussed.

7 Any other business

7.3 D Williams – Chapel Road in Scleddau has not been finished well, there are no white lines and the pub side of the road is sinking.
