

Have Your Say on Pembrokeshire's polling districts, places & stations

Pembrokeshire County Council will carry out a review of polling districts, polling places & stations from October 9th.

The Local Authority is keen to hear what electors think about the convenience of voting at polling stations currently used for elections and would welcome suggestions for alternative sites.

The (Acting) Returning Officer (ARO) for the previous Parliamentary constituencies of Preseli Pembrokeshire and Carmarthen West and South Pembrokeshire (South Pembrokeshire) and the new Parliamentary constituencies of Ceredigion Preseli (Preseli) and Mid and South Pembrokeshire will comment on the proposals.

Residents' views on these comments, which will be published on the Council's website and available for inspection, are also sought.

The Council would also welcome the views of all residents, particularly disabled residents, or any person or body with expertise in access for persons with any type of disability.

Anybody making representations should, if possible, give alternative places that may be used as polling places.

Relevant information regarding the current arrangements and proposals for changes can be found on the [Council's Have Your Say page](#) or can be inspected at: Electoral Services, Unit 23, Thornton Industrial Estate, Milford Haven, SA73 2RR.

You can add your comments and representation via an [online feedback form](#), emailing electoralservices@pembrokeshire.gov.uk with the completed feedback form or by post to the Electoral Services address above.

All representations must be made by no later than 1st December 2023.

The outcome of the review will be published by the Council in March 2024 and will be available for inspection.

Anybody making representations should be aware that, upon completion of the review, all correspondence and representations received must, by law, also be published.
