10. Planning issues -

1. NP/22/0120/FUL Thorne Island – response submitted as no objection on the basis of revised drawings.
General note on planning, due to a couple of recent planning queries homeowners are advised to seek clarification on their individual circumstances of what should or should not require planning permission.

11. Highway Issues-

1. Passing places: copies of all options now received for review. Discussion re widening of restricted areas of view raised. Cllr Williams will contact Stephen Benger indicating that with Cllr Ward on leave we would wait for his comments on the options. There also appears to be some confusion whether funding for the work has already been allocated.
2. 20mph speed limit: Quotes received for speed indication signs, cost being approximately £7266 - £7961 for 2 signs. Cllr Williams has been in contact with Stephen Benger who casts doubt on the effectiveness of electronic signs and has offered to carry out speed monitoring.
3. B4320 near Carters Green: Communication received from PCC, they plan to start work in the next 3 weeks. Concern over access for traffic during works, The Hall walk would not provide access due to narrowness of road. PCC plan to have traffic management in place. Police now also aware.
4. Speed signs on point road: Confirmation received from PCNPA that advisory signs are to be erected over the winter.
5. Parking Concerns: Conversation with Police regarding ongoing concerns regarding parking in the village, particularly near junctions. Flyer produced by the Police and agreed that it would be amended and placed in the next edition of the village newsletter.
