Matters for discussion

All present on Sunday 17th agreed it was a great success and we will probably have another similar around Easter time, thank you to all that donated food, decorations, etc. and Cllr. Smith for the coffee machine and coffee

Christmas Lights These are now in place.

Cllr Alderman advised that PCC, as in deed are all Councils, struggling with budget restraints due to current financial situation, there is no doubt that some services will be affected by budget cuts.

There being no further business the Meeting closed

Signed as a true record
