Cllr. Alderman advised the meeting of the Budget restraints facing PCC and indeed all Councils for the coming financial year.

Cllr. Williams requested we ask about Children Pads for our defibrillators and CPR courses

Cllr. Callan asked if a licence was required to cut down tree's and also if it was a requirement to replace each cut down tree with 3 new? Cllr. Alderman advised that a licence was not required and it would not be possible to replace an area that held 1 tree with 3.

Cllr. Hallett advised he had reported to PCC an area in Goldborough Road where a lot of stones and rubble by farm entrance was a highway hazard, it has been cleared to a degree but he would keep an eye on it.

There being no further business the Meeting closed
