

Councillor Steve Cole

cllr.stevecole@yahoo.com

Having been born in Saundersfoot and my family living in the Village for hundreds of years, I have always wanted to help the village and the community. Indeed, the New Year's Day Swim mascot, Charlie Shivers, is based on my Grandfather Charlie Cox, who used to lead the swimmers into the tide.

My passion for the village stems from the above, and now having my own family, I am focused on keeping Saundersfoot the safe, beautiful village it has always been. By joining the Community Council, I feel that I can contribute to this and more. I would encourage anyone who wants to contribute to the local community to consider joining the Community Council to make a difference.
