

CORRESPONDENCE/CYFATEBIAD

Councillors noted the contents of the letter and enclosures from the Newport Path Group re eradication of invasive species Himalayan Balsam and Japanese Knotweed, and agreed copies should be sent to Cymdeithas Treweddel as they may wish to carry out similar work if it is necessary in their area.

The Chairman read the latest letter from Edwina Hart on the subject of flashing road signage at Felindre Farchog wherein it was said the Police would be discussing the matter with Ministry of Transport officials. Meantime Newport has been refused permission to have similar signs on their stretch of the A487.
