NP/16/0434/FUL Castle Farm, Nevern.

Councillors carefully studied the detailed plans
together with all the supporting documentation
and unanimously agreed that using the existing farm

to making a new entrance, and that the application
should be carefully considered and decided by the
full P.C.N.P. Planning Committee and not delegated
to a Member of staff.

On the grounds that he was a personal friend the
Council Chairman Cllr. Vivian Owen took no part
in the consideration of these plans.
