Cllr George welcomed Mr Hassan and invited him to address the meeting. Mr Hassan spoke about the problem of speeding vehicles in Thornton and mentioned that the traffic calming measures already in place (speed bumps and a 20mph zone) were not slowing traffic down and it was dangerous for pedestrians to walk along the road, especially as there was no pavement. He suggested the installation of a speed camera.

Cllr Rowlands said that he had that day received from PCC the cost of extending the speed bumps the total width of the road, which was between £18,000 and £31,000. He also said that he would raise the question of the speed camera with the Police Forum.

It was agreed by the meeting that the cost of all possible solutions would be obtained by the next meeting, so that the matter could hopefully be resolved.
