The name for the new school has been decided and will be Penrhyn (welsh for peninsula). Email received from Barry Cooke Head of Property at PCC stating that PCC owns the school under two deeds of transfer. The community council was notified that because of a delay the new school will not open until January 2018. For one term only the new school will operate out of Stackpole VC School. The build is now well under way. PCC has still not provided an indicative budget. All staff have been provisionally appointed. The projected number of pupils for the start of the school is 100. The bus route will depend on the number of children coming from villages. There has been no decision made yet as to what will happen to the old school buildings.
- 3.** The councillors asked the clerk to write to Ruth Edwards the dog warden requesting bigger dog fouling signs to be put up on the entrance and exit of the village.
