To all residents of Freystrop, Hook and Llangwm,

Since the recent elections in May, I have met a great many of you, listening to and discussing your issues and concerns, which something I have done regularly in previous years.

As an addition to this and a departure from my previous terms, I intend to hold regular surgeries across our three villages, to give those who wish to, the opportunity to raise issues with me formally.

As a means of finding out your views on this and any other general issues, I intend to hold a series of open evenings in our three communities during September as below:

- **Monday 11th September – Freystrop Village Hall at 6.00pm**
- **Tuesday 12th September – Llangwm Village Hall at 5.30pm**
- **Tuesday 19th September – Mount Zion Hall, Hook at 5.30pm**

These evenings will also serve as an introduction and an opportunity for anybody who does not know me to meet up and have a chat, or just call in to say hello.

They are to be open to anybody who wishes to come along, and are intended to be informal lasting no more than one hour only.

I have always made it my aim to be as available and approachable as possible across our area, and this new venture is not intended to change that in any way.

I am always prepared to listen to your problems and views, and if you would prefer to give me a call or send me an e-mail, then please do so. I will then call to see you at a convenient time.

Whether you know me or not, if you are new to the area or if you have lived in here all your life, I am always available to all and will listen to your view.

I can be contact acted on 01437 890175 or cllr.michael.john@pembrokeshire.gov.uk

Many Thanks and I look forward to seeing you,

Michael John
