MATTERS ARISING/MATERION YN CODI

Following the recent visit by a Member of the Pembrokeshire Coast National Park to discuss and draw attention to the importance of identifying areas containing Himalayan Balsam plants two groups in Moylegrove have volunteered to undertake this task in their village.

A meeting to discuss the Local Development Plan has been held in Moylegrove and one of the items discussed was the partly built house in the centre of the village. Councillors representing Moylegrove understood the Owners will be attending to this in the near future.

Cllrs. Hedydd Lloyd and Ron Rees attended a recent meeting to discuss possible revision of County Ward boundaries. Councillors unanimously decided that they wished the present arrangement to continue whereby we are represented by a County Councillor jointly with St. Dogmaels. The Clerk was requested to write to the Boundary Commission and advise them of our preference in this matter.

The Clerk confirmed that she has renewed the arrangement whereby the Newport Tourist Information Centre check the sea bathing water quality with the N.R.W. website and if necessary contact the Golf Club and ask them to put the warning notice on the beach notice board.

Cllr. John Denley is monitoring the quality of Broadband in this area. Presently it is extremely poor.

The Clerk has received a reply from Wales & West Housing Association answering our concern about their Letting Policy in particular at Parc Yr Efail. Councillors wish to obtain a copy of their Housing Policy.
