- 3) To discuss the Hall development project tenders.**

The additional information obtained had been previously circulated by the Clerk. This was discussed in detail. The meeting then considered which of the bids provided the best balance of cost, time taken, disruption to use of the Hall, ability to start promptly. It was agreed that the advice provided by the Quantity Surveyor in the previous meeting had been useful in analysing the bids and helping decide upon the successful one.

It was then proposed by Cllr Priest, seconded by Cllr Simpkins and agreed by all that the project should be offered to Mr. Robbie Burns. The Clerk was asked to write to Mr. Burns accordingly, and to invite him to a meeting on Thursday 14th March in the Hall at 8.00pm to discuss the details of the project.

Cllr Priest then briefly spoke about a potential open evening to gather the input of the village for Hall and other developments, around the topic of Templeton past and future. It was agreed that this should be taken forward as a means of gathering interest and support for future developments.
