WASTE AND RECYCLING QUESTIONS ANSWERED

Are grey bags still being collected during the coronavirus outbreak?

Why have waste and recycling centres been closed?

And how can I get more recycling bags and containers?

These are just some of the regular questions being received by Pembrokeshire County Council's Waste and Recycling team.

With the Covid-19 situation changing rapidly it's understandable that there will be queries about the Authority's services.

So a collection of the most frequently asked questions has been put together to help residents quickly find the answers they are looking for.

Information included relates to grey bag collections, recycling collections, recycling points, garden waste, bulky waste services and more.

It also explains how households can help at a time when key services are stretched,

The main message for residents is that there are currently no changes to kerbside waste and recycling collections.
