8. County Councillor's Report – sent to the clerk via email

- Temporary Road Closure - 22nd July for 1 day at Ludchurch Cross to Rectory Lodge for works to be carried out.
- Septic Tank, Llanmill - I think that all of the permissions have now been granted and the work should be able to proceed soon.
- Crematorium - It is proposed to increase the fees at the Crematorium and use the money to upgrade the facilities on site. Any money in excess will be used to fund Public Protection, such as inspections for food establishments, etc.
- Whitland Road to Lampeter Velfrey - As reported last month, there was a complaint from the clerk of Whitland about this road. After inspection it became aware that the section of the road in question was within Carmarthen's boundary.
- Metal Container in field near Lampeter Velfrey - An appeal was lodged for it to remain but they have lost the appeal and now enforcement action will be taken against them.

9. A.O.B.

- Feedback given regarding the Longcourse Weekend included the following comments
- Less crossing points this time – good idea to allow traffic one way as during Ironman
- Some roads closed for too long
- Activity Wales commended for their efforts but still a work in progress
- Should be maps located around the route for visitors to Pembrokeshire over that weekend.
