

## A Chance for Better Broadband in Angle

Pembrokeshire County Council is running a broadband improvement initiative in the area and have set up a short survey for residents to complete and register to be part of this scheme. The 'Angle' project includes Hundleton, Bosherton, Stackpole, Castlemartin etc as well as Angle, with the aim being to increase the download speed towards 100 mps.

The survey can be accessed through the link below:
